

## Swords and Hilt Weapons

Swords and Hilt Weapons presents nearly 4,000 years of sword-making from around the world, from the Bronze Age to World War II. Written by a distinguished team of specialists and scholars, it provides an expert appraisal of the weapons along with richly laid out historical context and background detail. Fully illustrated with photographs and art reproductions, this unique survey covers a vast body of superb craftsmanship, and is essential for weapons enthusiasts, collectors, and lovers of military history and fine art.
