

Stage Trails West

KEEP THE STAGE ROLLING Working on a stage trail isn't just a job for Grif Holbrook, it's in his blood. Grif's a hard-bitten but soft-hearted veteran who's worked as a troubleshooter and shotgun guard for the Butterfield line for years. These four exciting novels recount Grif's greatest adventures in staging, filled with vivid characters, blazing six-guns and enough action for ten novels. Whether he's working as a trail-breaker, riding shotgun, or battling gangs, Grif is always ready to fight to protect the stage line and keep the stage rolling through.
