

# Standard Catalog of Baseball Cards (Standard Catalog of Vintage Baseball Cards)

The baseball card collectors favorite all-inclusive price guide and card identification resource is completely expanded and updated in this eleventh edition. Collectors can identify and evaluate virtually any baseball card and select collectibles available on the baseball card market. Card valuations are completely revised with 1,500 additional sets and tens of thousands of new card listings. Alphabetical and chronological indexes make finding individual cards a snap. The 12,000 photos, more than 450,000 listings, 600,000 prices, and 10,000 sets make this reference guide the most comprehensive and accurate available. -Most accurate and comprehensive price guide on today's market -Completely revised and updated card valuations -Alphabetical and chronological indexes aid in identification
