

Stanley Catalog Collection, Vol. II

This second collection of 19th century Stanley catalogs supplements the earlier Stanley Catalog Collection with catalog reprints from 1872, 1874 (revised to 1876), 1877, 1884, and 1892 (revised to 1897), in addition to the Leonard Bailey catalogs of 1876 and 1883. Introductions and commentary by noted Stanley experts John Walter and Ken Roberts provide the reader with fascinating and illuminating historical background on Stanley and its products through the century.
