

Star Trek: Assignment Earth #3

Crisis on campus! The time: 1970. The place: Earth. The situation: Critical! Comic book legend John Byrne continues his first-ever Star Trek miniseries, featuring the enigmatic interstellar spy Gary Seven and his intrepid assistant, Roberta. Following their encounter with Kirk and the Enterprise crew, the duo must go undercover in the Halls of Ivy as students burn their draft cards and National Guard troops patrol the quad. What is the terrible truth behind rumors of an army of super-soldiers whose purpose may be much more sinister than fighting in the jungles of Southeast Asia?
