

Starting Now (A Blossom Street)

For years, Libby Morgan dreamed only of making partner in her competitive, high-pressure law firm. She sacrificed everything for her career - her friends, her marriage, her chance at creating a family. When her boss calls Libby into his office, she assumes it will finally be good news, but nothing can prepare her for the shocking reality: she's been let go and must rebuild her entire life ... starting now. With no job prospects in sight, Libby reaches out to old friends and spends her afternoons at A Good Yarn, the local knitting store. There, she forms a close bond with Lydia, the sweet-natured shop owner, Lydia's spirited teenaged daughter, Casey, and Casey's best friend, Ava, a shy yet troubled girl who will shape Libby's future in surprising and profound ways. As A Good Yarn becomes a second home - and the women a new kind of family - Libby relishes the different person she's become. She even finds time for romance with a charming and handsome doctor who seems to be her perfect match. But just as everything is coming together, Libby must make a choice that could forever change the life she holds so dear. Warmly told and richly textured, *Starting Now* is filled with the promise of new beginnings and the unending delights of companionship and love.
