

Stone Canyons of the Colorado Plateau

A new paperback edition of an illustrated exploration of two stunning canyons of the Colorado Plateau in Arizona. In glorious photographs and stirring text, Stone Canyons depicts two canyons just north of the Grand Canyon National Park. This red rock country is among the most stark and beautiful natural wildernesses remaining in North America. First published in hardback in Spring, 1996 (0 8109 4468 5).
