

## Suicide Risk #2

When there are only villains, being a hero makes you a...SUICIDE RISK. After barely surviving a super-powered bank heist gone horribly wrong, beat cop Leo Winters vowed to try and find a way to stop them. Following a lead, he discovered two lowlifes who seemed to be able to grant a person powers...for the right price. Thing is: you don't get to choose which power. It's seemingly random, a crap-shoot, a risk. And now Leo will find out just how big of a risk he took... From Eisner Award-nominated creator Mike Carey (THE UNWRITTEN, X-MEN: LEGACY) and hot newcomer Elena Casagrande (HULK, HACK/SLASH) with covers by Tommy Lee Edwards (Marvels 1984) and Stephanie Hans, SUICIDE RISK is a high octane, mind-bending exploration of what it means to be a hero.
