

Tales of the Batman: Tim Sale

Written by Darwyn Cooke, James Robinson, Kelley Puckett and Alan Grant. Art and cover by Tim Sale & Jimmy Palmiotti. Over the years, many artists have contributed to the look of one of the most iconic characters in popular culture: Batman. One of the influential and popular illustrators of the Dark Knight is Tim Sale, who, in addition to providing artwork for the hit TV series *Heroes*, illustrated the Eisner Award-winning graphic novels *BATMAN: THE LONG HALLOWEEN*, *BATMAN: DARK VICTORY* and *SUPERMAN FOR ALL SEASONS*. Sale's distinctive vision of the Dark Knight put the iconic hero back in the shadows and updated his image for a new generation of fans. Now, for the first time ever, these Batman tales drawn by Tim Sale early in his career are collected in one sensational volume.
