

## The Official Gun Digest Book of Guns & Prices 2009

The Little Red Book is back again with clear, concise listings of over 45,000 firearms from 1857 to the present. Collectors and dealers swear by its accuracy and portability. Current market trends are reflected in this volume along with the six-step grading system. As advertised "Everything you need and nothing you don't" can be found between this book's covers. At half the price of its closest competitor, it's a gun buff's best shot.
