

Teen Titans: Kids Game

Whats the difference between the Teen Titans and the boy scouts? Easy - the boy scouts cant fly into space or run at supersonic speeds, unlike the young stars of this brand new graphic novel series from Titan! Teamed up into the new Teen Titans, Robin, Superboy, Kid Flash and friends are dealing with all the usual teen angst - rebellion, hormones, disaffection. To make matters worse, Deathstroke, a genetically-enhanced mercenary with a grudge against the Titans, is after them and homework may soon be the least of their troubles! Packed with cameos from the likes of Batman and Superman, Teen Titans: A Kids Game should make any parent glad their kids cant bend steel or have x-ray vision!
