

The Art of Photography...an Approach to Personal Expression (Edition 3.0)

Bruce Barnbaum of Granite Falls, Washington has taught workshops since 1972, the same year that he received the Sierra Clubs Ansel Adams Award for Conservation and Photography. His photography has been exhibited and collected worldwide. He has published four major books: Visual Symphony, which featured 91 magnificently reproduced images and four sections; Tone Poems - Book 1, featuring 90 images in three opuses along with a compact disc of classical piano music and Tone Poems - Book 2, containing 91 images and three opuses along with a compact disc, merges the arts in new, subtle ways; and now his latest edition of The Art of Photography, an Approach to Personal Expression, a textbook on photography delving into the technical, aesthetic, and creative aspects of this art form. This book is directed toward the serious amateur or professional seeking to make a personal statement through the medium of photography.
