

## The Beatles: Fifty Fabulous Years

It has been fifty years since John, Paul, and George named themselves the Beatles and soon after recruited Ringo Starr. The Beatles: Fifty Fabulous Years includes fascinating and little-known stories, never-before-published photographs, and nostalgic memorabilia. The book's exclusive documentary, The Beatles: The Golden Age, captures the pandemonium of Beatlemania, from their delirious fans and madcap movies to interviews with each of the Fab Four.
