

Hard Looks: Adapted Stories (3rd edition)

Andrew Vachss writing has been described as red-hot and serious as a punctured lung (Playboy), hypnotically violent ... made up of equal part broken concrete block and razor wire (Chicago Sun-Times), and short and choppy, like the ticking of a time bomb (Seattle Post-Intelligencer). This new digital-only edition collects eleven of Vachss life-at-ground-zero comics stories, brought to life by an outstanding lineup of the industrys most talented writers and artists. This exciting book also contains a gallery of covers from the original Hard Looks series, as well as a cover by Geof Darrow, award-winning artist and creator of such titles as Shaolin Cowboy, and co-creator of The Big Guy and Rusty the Boy Robot, and Hard Boiled. The Hard Looks preview features story pages from Drive-By by Joe Lansdale and artist Gary Gianni.
