

Conan #20

The critically acclaimed, best-selling Conan series begins its highly anticipated adaptation of Robert E. Howard's *The Tower of the Elephant*, one of the most popular Conan tales of all time. A bar fight in the City of Thieves yields far more than expected when Conan learns of the fabled and impregnable Tower of the Elephant. Determined to rob it, Conan sets out on a quest that will involve new comrades, sudden death, horrifying creatures, and gruesome, unsettling fates for both gods and men. Conan is an action-packed spectacle, a barbarian blockbuster with a brain, and an epic as intelligent as it is visually stunning. Wizard Cary Nord and Thomas Yeates were nominated for a 2005 Eisner Award for Best Penciller/Inker or Penciller/Inker Team.
