

The Complete Guide to Wood Finishes: How to Apply and Restore Lacquers, Polishes, Stains and Varnishes

International bestselling guide to wood finishes. Easy to use, lavishly illustrated, and written by a leading authority, this comprehensive book reveals how to apply new finishes and expertly restore existing ones. Step-by-step instructions guide you through each process, from preparing the surface and removing dents and scratches to French polishing, waxing, oiling, liming, spraying, and applying crackle finishes. An illustrated directory section gives full instructions on appropriate finishes for different types of wood to enhance the grain
