

The Dark Horse Book Of Witchcraft

The Dark Horse Book of Witchcraft conjures up weird tales of horror and magic the likes of which one seldom sees in graphic novels. Mignola returns with another Hellboy story; Thompson (Scary Godmother) and Dorkin (Dork, Hectic Planet) return to their characters in the stunning Stray story, the surprise hit of the first volume in this series. Morse (Ancient Joe, Soulwind) presents an evocative and carefully researched tale of old Salem, digging into the madness of the accusations leveled there, which ended more than thirty lives in a few short months.
