

## THE SHEIKHS DEFIANT BRIDE (Harlequin comics)

As a career woman, Maddys life is full of busy days and there are no decent guys in sight. There is no way she is getting married to any of the guys she knows, but she still wants to have a child of her own. So Maddy decides to be artificially inseminated. But after she becomes pregnant, a man stops by her place and forces a kiss on her! Hes the crown prince of the Kingdom of Dubaac, and he tells her the child in Maddys stomach is his! After that, he carries Maddy off to his country and marries her. This has got to be some kind of joke!
