

Star Wars - Empire: Heart of the Rebellion v. 4

The fourth volume in this exhilarating Titan series begins six months after the destruction of the first Death Star and provides more essential background to the original trilogy! When their speeder crashes on a backwater jungle moon, Princess Leia must unexpectedly spend some quality time with an old boyfriend...in a huge forest of horrific creatures! Also meet Rebel recruit Deena Shan; take a breakneck speeder chase with the galaxy's second-coolest smuggler, BoShek; and watch Chewie and Han trade credits, punches and blaster fire in yet another wretched hive of scum and villainy!
