

# The Intimate Memoirs of an Edwardian Dandy: Volume 1: Youthful Scandals

We all have to start somewhere, and that notorious rake and roue, Rupert Mountjoy, started with a bang ... Brought up in the delightful English countryside, Rupert, aged fifteen when we meet him, is ready to savour the traditional sporting delights of the privileged English gentleman - and to master the equipment needed for them. Who better to introduce him to these pastimes than a bevy of lusty, libidinous country girls?
