

The Jungle Book (Illustrated)

Rudyard Kipling (né à Bombay dans l'Inde britannique, le 30 décembre 1865 et mort à Londres, le 18 janvier 1936) est un écrivain britannique. Ses ouvrages pour la jeunesse ont connu dès leur parution un succès qui ne s'est jamais démenti, notamment *Le Livre de la jungle* (1894), *Le Second Livre de la jungle* (1895), *Histoires comme ça* (1902), *Puck, lutin de la colline* (1906). Il est également l'auteur du roman *Kim* (1901), de poèmes (*Mandalay* (1890), *Gunga Din* (1890), et *Tu seras un homme, mon fils* (1910) sont parmi les plus célèbres) et de nouvelles, dont *L'Homme qui voulait être Roi* (1888) et le recueil *Simple contes des collines* (1888). Il a été considéré comme un innovateur dans l'art de la nouvelle¹, un précurseur de la science-fiction^{2,3} et l'un des plus grands auteurs de la littérature de jeunesse. Son œuvre manifeste un talent pour la narration qui s'exprime dans des formes variées. De la fin du XIX^e siècle au milieu du XX^e siècle, Kipling est resté l'un des auteurs les plus populaires de la langue anglaise. L'écrivain Henry James écrit à son sujet : Kipling me touche personnellement, comme l'homme de génie le plus complet que j'aie jamais connu. En 1907, il est le premier auteur de langue anglaise à recevoir le prix Nobel de littérature, et le plus jeune à l'avoir reçu (à 42 ans). Par la suite, il a refusé d'être anobli. Cependant, Kipling a été souvent considéré comme un prophète de l'impérialisme britannique, selon l'expression de George Orwell. La controverse au sujet des préjugés et du militarisme qui seraient présents dans son œuvre a traversé tout le XX^e siècle. Selon le critique littéraire Douglas Kerr : Il reste un auteur qui inspire des réactions de rejet passionnées, et sa place dans l'histoire littéraire et culturelle est loin d'être solidement établie. Cependant, à l'heure où les empires européens sont en repli, il est reconnu comme un interprète incomparable, sinon controversé, de la

maniere dont lempire etait vecu. Cela, ajoute a son extraordinaire genie narratif, lui donne une force quon ne peut que reconnaitre.
