

The Lady in the Van

In 1974, the homeless Miss Shepherd moved her broken down van into Alan Bennetts garden. Deeply eccentric and stubborn to her bones, Miss Shepherd was not an easy tenant. And Bennett, despite inviting her in the first place, was a reluctant landlord. And yet she lived there for fifteen years. This account of those years was first published in 1989 in the London Review of Books. The play premiered in 1999, directed by Nicholas Hytner and starring Dame Maggie Smith, who reprise their roles in this new film adaptation. Shot on location at Bennetts house, Alex Jennings plays the author, alongside household names including Frances de la Tour, Jim Broadbent and Dominic Cooper.
