

The Mice Templar Vol. 5: Nights End #5 (of 5)

LEGACY The world has changed-yet for good or ill remains to be seen. For those mourning the deepest losses, the cost of transition has come at too steep a price. Faced with wounds that might never heal, the denizens of the Shadow Time must come to terms with the small part they serve in a far larger drama. And Wotan demands one final sacrifice! The grand finale of an 8-year creator-owned vision!
