

# The New Jerusalem: A Millennium Poetic/Prophetic Travel Diario 1959-1962

This poetic diary documents Robert Eisenmans life-changing backpacking journey through Europe, the Middle East, and Asia in the early 1960s. Eisenmans search for meaning took him to San Francisco and its Beat culture, to Paris, to Lebanon, Israel, and far beyond. The authors keen eye catches it all: pre-hippie hotels, midnight encounters with beautiful women, Indias ceaseless fever, the lure of distant cities and landscapes. Alternately hopeful and critical, these poems vividly etch the pleasures and perils of a bygone era and their profound effect on one young poet.
