

The Rainbow Puppet Theatre Book: Fourteen Classic Puppet Plays

At the Rainbow Puppet Theatre of the Constantia Waldorf School in South Africa, children enter a magical world of beauty, wonder, and transformation. Through the puppeteers art, stories old and new carry eternal truths in a way that brings life and healing to all who behold them. Here in this book for all to enjoy are fourteen puppet plays that have been created by Estelle Bryer and her colleagues for the stage of the Rainbow Puppet Theatre, and frequently adapted for solo and tabletop puppetry.
