

The Ruthless Marriage Proposal (Harlequin comics)

Sebastian is one of Australia's foremost billionaires, and any number of women are jostling for the position of his girlfriend. Even his housekeeper, Emily, has succumbed to his dangerous charms, but she knows she shouldn't be falling for a playboy like him. She wants an honest man who'll dedicate himself to building a life with her! If she stays with him in this job much longer, she'll just be inviting intrigue and unhappiness, so she writes a letter of resignation. But when Sebastian sees it, his response overwhelms her. If what you want is a husband and children, I can give it to you. Let's get married.
