

The Saviors #1

Eisner Award winner JAMES ROBINSON (Starman, Earth 2) and artist extraordinaire J. BONE (The Rocketeer: Hollywood Horror, The Spirit) present an all-new saga of monstrous alien horror. When Tomas Ramirez stumbles upon an extraterrestrial conspiracy to take over the world, his life is changed forever. He must now seek out those few souls who share this terrible knowledge. But even united, how can they hope to defeat a shadowy alien cabal that is both indestructible and eager to kill anyone who threatens it?
