

Jeremiah Harm Vol. 1

From Keith Giffen (52, Annihilation) and Alan Grant (Batman, Lobo) comes this hard-hitting sci-fi series with a gritty tone and a brutal anti-hero as the lead! When three of the galaxy's most fearsome criminals escape confinement on a prison planet and wind up on Earth, the authorities have no choice but to free the most wanted man in the universe--Jeremiah Harm--to track these fugitives down and stop them. He doesn't love you, he doesn't want to be your friend, he isn't your super-hero--and God help you if you find yourself in harm's way! Featuring art from Rael Lyra (Dragonlance: Legend of Huma) and Rafael Albuquerque (Blue Beetle).
