

Tarzan Volume Two: The Beasts of Tarzan & The Son of Tarzan (Adventure & Historical; Tarzan) (v. 2)

In *The Beasts of Tarzan* we find the man of two worlds, Tarzan, Lord Greystoke, marooned on a desert island and with his son and wife kidnapped, he seems powerless to intervene-until, that is, he enlists the help of Sheeta the panther and the great ape Akut, to help him escape. With the giant Mugambi, Tarzan and his animal friends reach the mainland, but the kidnappers have disappeared deep into the jungle and the hunt for his enemies, the rescue of his family and ultimate revenge will follow a path both long and dangerous. In the second novel, Tarzan's son is lured away from London, but escapes to the African jungle with the help of Akut. There the boy becomes more like his father as he grows to understand jungle lore-before undergoing his own hazardous adventure as Korak the Killer. This is *The Son of Tarzan*, another epic adventure from the pen of one of the world's great entertainers.
