

## A Girl in a Million

Dark Horse Manga and Harlequin Books are delighted to present a shining new line of books that marry two of the most successful phenomenon to hit bookstores - bestselling Harlequin romance fiction and female-friendly Japanese manga! These sparkling manga adaptations of Harlequins best-selling titles are a romantic step above much of the cookie-cutter manga hitting the shelves today. A vacation fling was completely out of character for old-fashioned Carol, but her attraction to intriguing, older Marius tempted her to break her own rules. The next thing she knew, though, he'd turned up working at her hospital! Does she have what it takes to attract - much less keep the attentions of - this intimidating, sophisticated, and utterly compelling man?
