

The Whole Backpackers Catalog

Every backpacker, beginner or expert, will love this book -- a fun-to-read, highly knowledgeable compendium of everything a backpacker would like to know before hitting the trail. Modeled after the famous Whole Earth Catalog, The Whole Backpackers Catalog overflows with canny tips, solid information, and shrewd advice, on every subject from buying a sleeping bag to starting a campfire in the rain ... from desert rat secrets to eating on the trail ... from hiking organizations to state and national parks.
