

Athens with Kids (and not only)

This book is for anyone wanting up-to-date information on sites, things to do and places to go (indoor/outdoor, winter/summer) in ever-changing Athens and vicinity, including detailed info on what to expect, times, prices, stroller access, and how to get where you want on public transport. Written by a local guide writer, it is geared toward travel with children, and includes where to change/feed a baby and other specifics for youngsters, but the detailed emergency info, advice and tips on the most convenient places to stay, where to find certain foods, supermarkets and kid-friendly, traditional, ethnic, fast-food or 24-hour restaurants, plus shopping info (Greek products, organic, etc), with their locations in each area, are useful for anyone. Includes 70+ places to go, from the greatest hits to off-the-beaten path, 30 field trips and sites, plus entertainment, special events and holidays, sports and activities, parks, playgrounds and supervised play areas, and heat-beating drop-in hotel and destination swimming pools and beaches that are inside or close to central Athens. Also special interest info on churches and worship services, Jewish and biblical Athens, where to meditate/do yoga, and for those who need a break/on their own, suggested nightspots within walking distance if babysitting is used, and where to find hairdressers and day spas.
