

## Tuscany All Year Long / UK-Version: Paintings of Tuscany (Italy) in Acrylic and Watercolour (Calvendo Art)

With this calendar you bring Tuscany in its beauty and colours into your house and thus you have vacation each day throughout the year. Good mood is preprogrammed :-). Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
