

Ultimate Spider-Man Omnibus - Volume 1

In 2000, Marvel launched the Ultimate Universe, reinventing Spider-Man for a new generation and a new millennium. Now, the first three years of Brian Michael Bendis and Mark Bagley's fan-favorite, award-winning take on the web-slinger are collected in one oversized volume! Relive Peter Parker's early days as Spider-Man, learning to fight crime by trial and error as he struggles to balance his new life with the demands of high school: puberty, homework and dating! Even with the help of his best friend and confidante, Mary Jane Watson, Peter has a heavy load to bear. But the neophyte Spider-Man is making many enemies, including the Green Goblin, the Kingpin of Crime, Doctor Octopus, Kraven the Hunter and the maniacal Venom ... and unless he can rise to the occasion, he may not survive until prom! **COLLECTING: ULTIMATE SPIDER-MAN 1-39, 1/2**
