Im a huge outdoor fan and I often go backpacking. For years I used my old equipment which was very heavy. This book contains wonderful tips and strategies on backpacking ultralight. It was a great guide totally because it has all the information we can get for beginners or even expert in backpacking. - Martin Richter Im preparing for a through-hike on the AT and I finally decided I wanted to go ultralight. Having never gone totally ultralight before, I did some research and came across this amazing guide. Its been the most helpful thing Ive read so far... and now I have a solid plan for what I should pack and not pack (plus what gear I need). - Ralph Steadman
