

## Uncle Toms Cabin or Life Among the Lowly, Vol. 1 (Classic Reprint)

Excerpt from Uncle Toms Cabin or Life Among the Lowly, Vol. 1 The scenes of this story, as its title indicates, lie among a race hitherto ignored by the associations of polite and refined society; an exotic race, whose ancestors, born beneath a tropic sun, brought with them, and perpetuated to their descendants, a character so essentially unlike the hard and dominant Anglo-Saxon race, as for many years to have won from it only misunderstanding and contempt. But, another and better day is dawning; every influence of literature, of poetry and of art, in our times, is becoming more and more in unison with the great master chord of Christianity, good will to man.
