

Buying & Restoring in Tuscany: A Practical Guide

This book is a real gem with lots of fantastic information and is written by somebody with mountains of experience in Tuscany. An easy read that takes a refreshing look at a wide range of themes from the disappointing house-hunting adventures undertaken by thousands of foreign pilgrims to restoring a Tuscan roof, re-pointing a stone facade or installing a dream pool. The buying process in Italy is thoroughly examined with updates on recent laws and regulations. This book is an absolute must for those of you thinking about moving to Tuscany or Italy. It is a no-nonsense, pragmatic book that looks at the strengths and weaknesses of Tuscany and is packed with valuable tips, advice, Italian terms and lots of updated costs. An absolute must-read before you depart on the Italian journey!
