

Clothes Their Care And Maintenance

About The Book There are lots of books available under general sections but still there is a lack of books which help us to keep our clothes neat, clean and shiny even after many washes. Presenting here is a solution in the forms of books under household series, they will not only guide with washing instructions, ironing guidelines but also to use old clothes and make new one and store them.

About The Author The Author is qualified in Health & Nutrition and Obesity management. The Gourmand World Cookbook Awards are considered the prime reward and honour for those who Cook with words. It is the Oscars in the World of Food and Wine, and this Supreme honour was bestowed to Kanchan G. Kabra in Spain for her work, The Paneer Cook Book. As a Nutritionist she heartily believes in You Are What You Eat. Your physical appearance tells everything about your diet. Food should not be taken to satisfy your taste buds of fill your stomach. Rather it should nourish all the parts of the body for its proper functioning. She is an acknowledged expert in the field of International Culinary skills and art, and has held various cooking demonstration at many centers in India and abroad. Apart from this she acts as a food Connoisseur to various hotels, food industries, boarding schools and hospitals.
