

Lawdog: by Chuck Dixon & Flint Henry

Lawdog by Chuck Dixon and Flint Henry. The mind-warping, dimension-hopping, reality-bending cult series of the 1990s skids into the 21st Century with all cylinders firing and guns blazing. Lawdog and Lina return to battle the creatures, thugs, fascists and monsters across the vast reaches of multiverse! Re-colored and restored in full digital splendor for a brand new audience. The action is hot and the concepts thought provoking as the eternal highwayman drives across the gulf between realities to keep the universe in balance! Issue one! Chuck Dixon is the bestselling author and co-creator of Bane most known for long influential runs on both Batman and the Punisher. Flint Henry is a frequent collaborator with Dixon and know for his run on Grimjack as well contributing to many comics for DC, Marvel and Dark Horse.
