

## Vengeance of the Moon Knight (2009-2010) #3

Years ago, Moon Knight lost his mind and killed a man, cut off his face and brayed at the moon. That man was his nemesis: Raoul Bushman. Now Bushman is back and looking for payback. He laid a trap for Moon Knight, emptying Ravenscar Asylum, and the lunatics are running wild down Broadway. For Moon Knight to defeat them- and Bushman- he'll need the full arsenal of his wits and weaponry. Because nothing can prepare him for the madness of Herman the German and the Great Wall.
