

Vixen: Return of the Lion

On a mission against the mega-mobsters of Intergang, the Justice League makes a stunning discovery revealing the truth behind the death of Vixen's mother. Long ago, poachers were fingered in her murder, but stunning proof arrives exposing the identity of her real killer! And the man responsible is still alive, making a vicious play for power in the homeland Vixen left years ago. This groundbreaking 5-issue miniseries by rising stars G. Willow Wilson (OUTSIDERS: AQUAMAN/METAMORPHO, CAIRO, AIR) and Cafu (Black Panther) plunges the League's animal-powered warrior into a deeply spiritual, but instantly deadly, quest for vengeance - and draws the League itself into the newest chapter of Intergang's ever-expanding race for domination.
