

## WALK: Canterbury to Jerusalem

Nine Months, 7000kms and 16 Countries... This is a collection of the most exciting and heart warming stories from Ben Dales epic pilgrimage, walking from Canterbury to Jerusalem. He was shot at, attacked by sheep dogs and robbed at knife point but this paled in comparison to the overwhelming hospitality he was shown from one end of his journey to the other. \*\*\*\*\* There are as many different paths to God as there are people on the planet... I chose to walk... Ben Dale
