

Wanderlust: Trekking the Road Less Travelled - a 2012 Wall Calendar

Celebrate the call of the open road with Wanderlust: Trekking the Road Less Traveled 2012 wall calendar. Wanderlust illuminates the spirit of walking and the lure of adventures that await those who veer off the beaten path. Spectacular photographs of less traveled paths are paired with quotes from great walking enthusiasts past and present, including Walt Whitman, John Muir, Gary Snyder and Henry David Thoreau. For all of our technological advances, we have not lost the yearning for a deep connection with our natural world. One of the surest ways to rekindle that relationship is the simple act of walking - not with thoughts of arriving somewhere, but for the sole purpose, and sheer enjoyment, of walking - to encounter nature with a genuine and wakeful curiosity. Enjoy a year of adventure and awakening with Wanderlust. The interior pages of this calendar are printed on 100% recycled, 50% post-consumer paper, processed chlorine free and printed with soy based inks. In addition to printing our products on recycled paper, Amber Lotus Publishing continues to plant trees and offset our carbon footprint with NativeEnergy.
