

Warlash: Dark Noir #2

Warlash, the armored warrior of the apocalyptic future, returns with all-new stories in this anthology title! Warlash battles a biogenic beast in the sewers below Pittsburgh, then he battles a sexy, blade-wielding villainess. Warlash battles a shape-shifting maniac in the final chapter of Grubbs. In Szymon Kudranskis Wormwar, Warlash must find out who is building giant worms. Then, Warlash is confronted with a satanic rite and hellspawned beast they have released. Finally, an injection transforms a bum into something with tentacles, leading to a confrontation with Warlash!
