

Warriors of the Plains: Native American Regalia & Crafts

Filled with images both vintage and modern, this book illustrates the magnificent regalia worn by the warriors of the Great Plains. Many of today's powwow dancers incorporate vintage components in their outfits, and the numerous craftwork techniques presented here are sure to provide inspiration for creating contemporary dance and ceremonial regalia. Never before available in this format, the wealth of information in this book (covering beginning, intermediate, and advanced levels of regalia) will guide readers in creating authentic reproductions of the clothing worn by tribes of the Northern, Central, and Southern Plains.
