

Weave Classic Crackle & More

Crackle is a surprisingly versatile weave structure with exciting design potential. This book offers a comprehensive explanation of drafting the crackle weave structure and weaving classic crackle. Tools and tips for independent designing add extra depth to your study of crackle. Explore crackle's flexibility with a myriad of treadling variations, including an in-depth discussion of polychrome techniques. Learn about the expanded possibilities and unique challenges presented by crackle on more than four shafts. Over 200 images illustrate the methods described. Meticulously presented by a noted weaving teacher, this is the first book for American handweavers devoted exclusively to crackle in 50 years. Weavers will find this comprehensive guide to crackle weave a valuable addition to their libraries and a source of great inspiration.
