

Where to Eat in Gloucestershire, the Cotswolds and the Royal Forest of Dean 1989

With a wide range of eating places within an area which arguably has some of the best hotels and restaurants in the country, this book also gives full details and descriptions of all establishments, including decor, opening times, prices, location and speciality foods. There is a special feature on local food and drink, and a range of eating places to suit the traveller, the businessman, the family and the budget conscious. The book is illustrated with black and white photographs.
