

Wilds End

Welcome to the War of the Wilds..Lower Crowchurch is a small English community enjoying the peace of the 1930s, but when the town becomes the victim of an alien invasion, the residents lives are upended by the harsh realities of life-and-death violence. Led by the towns outsider and retired war veteran, they will have to rally together to uncover the secret of their invaders and hope to fight back. Written by Dan Abnett (Guardians of the Galaxy) and illustrated by I.N.J. Culbard (H.P. Lovecrafts At the Mountains of Madness) in the classic sci fi tradition but with an anthropomorphic twist, Wilds End explores how far every day people will go to survive the pains and heartbreak of war.
