

Witchblade #119

The Return of Aphrodite? A mysterious green-haired assassin calling herself Aphrodite is running amok in Manhattan, and not even New York City's Finest can stop her. But there's one more cop standing in the killer's path, and she's armed with more than her department-issue revolver. Witchblade wielder and NYPD Detective Sara Pezzini meets her match in an issue of balls-to-the-wall action...if anybody involved had balls. The Top Cow crossover no one predicted!
