

## Wolverine & Black Cat: Claws 2

When Wolverine and the Black Cat are forced to work in tandem, sparks are sure to fly! Thrown together in battle against Arcade and the White Rabbit, their wild romance only intensified. But after putting down the duo, the clawed couples victory celebration proved short-lived when the villains transported Wolverine and the Black Cat to a desolate future. With nowhere to run in an unfamiliar world, the rebel leader Killraven may be their only hope of survival. Can they make it home before their wild night out turns into a nightmare?
